

WIRELESS CONVENIENCE,
TIMELESS ELEGANCE

Silent Gliss

BATTERY- OPERATED ROLLER AND ROMAN BLIND SYSTEMS

 SilentGliss

Motor:
YES
Wires:
NO

RETROFIT INSTALLATION

In many situations, hard wiring to a window is not possible. Silent Gliss battery-operated blinds are wireless, making them the ideal retrofit solution.

ELEGANT DESIGN

These classic shading systems feature a refined design with clean lines and high-quality materials to suit a wide range of interiors.

CHOICE OF ACCESSORIES

The roller and roman blind systems are easily operated using a wall switch, a radio remote control, or both.

Today's architecture and interior design must continue to meet the highest aesthetic standards, offering maximum convenience and concealed technology. The Silent Gliss battery-operated roller and roman blind systems fulfil these requirements by offering wireless shading at the push of a button.

STYLE TO SUIT

The roller blind design can be further refined with a choice of three bottom bars. Extraordinary Silent Gliss fabrics complement the blinds, creating an individual atmosphere in every room.

FLEXIBLE FITTING

Every blind is supplied made-to-measure, and is ready to fit. The systems can be fitted to the wall or ceiling. Bracket or clamp installations are possible.

EASY BATTERY REPLACEMENT

Good products perfectly combine design and operation. The battery-operated roller and roman blind systems use conventional batteries with a service life of up to three years. The batteries are contained within an easily accessible holder to allow a fast battery exchange when required.

Function meets design.

The Architects of Silence

Silent Gliss is the leading global supplier of premium interior window treatments. Since 1952 we have been tirelessly committed to the development of the worlds' smoothest, quietest systems using state of the art technology.

Driven by customer needs, Silent Gliss offers functional and durable products. Expert technical advice coupled with installation and support services complete the offer. Silent Gliss stands for innovative, sustainable, tailor made solutions, exceptional design and first-class quality.
